

## GREAT THEATER STARTS WITH YOU!

YOU can help us fulfill our mission to engage, educate and entertain the community we serve through quality, local theatre arts programming by sponsoring **costumes** for our production!

This sponsorship underwrites the scores of costumes that appear on the Playhouse stage each year. As an underwriter of this great creative process, you will receive recognition on the monitors in the Playhouse lobby and on our social media, and a tour of the costume shop with our costume shop volunteers.
